Special 1951 Moose Season

PARK COUNTY: September 15 to November 15, 1951, both dates inclusive.

No. 1: COOK CITY AREA. Beginning where the Stillwater County line intersects the Slough Creek drainage, thence extending east along said county line to Carbon County, thence along the line between Carbon and Park Counties to the State Line, thence west along the State Line to its intersection with Yellowstone National Park at Silver Gate, thence following the Park boundary in a northerly and westerly direction to the drainage area of Slough Creek, thence north along the Stillwater-Slough Creek Divide to the point of beginning, shall be open to the hunting of three (3) mature bull moose by permit holders.

PARK-SWEET GRASS COUNTIES: October 15 to November 15, 1951, both dates inclusive.

No. 2: BOULDER AREA. All that portion of the Boulder River drainage and and all of the Mission Creek drainage shall be open to the hunting of five (5) mature bull moose by permit holders.

GALLATIN-MADISON AND PARK COUNTIES: October 15 to November 15, 1951, both dates inclusive.

No. 4a: UPPER GALLATIN-TOM MINER BASIN AREA. Beginning at the mouth of Squaw Creek, thence up Squaw Creek to Hyalite Peak, thence following the Gallatin-Yellowstone Divide in a southerly direction to Ramshorn Mountain, thence in a northeasterly direction down the divide between Tom Miner Creek and Rock Creek to the Yellowstone River, thence up the Yellowstone River to the Yellowstone Park boundary, thence in a westerly direction along said boundary to the headwaters of the South Fork of Buffalohorn Creek, thence down said creek and down Buffalohorn Creek to the Gallatin River, thence up the Gallatin River to the mouth of Sage Creek, thence up Sage Creek to Sage Peak, thence in a westerly and northerly direction along the Gallatin-Madison Divide to Spanish Lakes, thence down the South Fork of Spanish Creek to Spanish Creek, and down said creek to the Gallatin River, thence up the Gallatin River to Squaw Creek, the point of beginning, shall be open to the hunting of twenty (20) mature bull moose by permit holders.

No. 4b: CHERRY CREEK AREA. Beginning at the mouth of Spanish Creek, thence up Spanish Creek to the South Fork of Spanish Creek, thence up the South Fork of Spanish Creek to the Divide above Spanish Lakes, thence south along said divide to the trail near Ulreys Lake, thence down said trail to Jack Creek, thence down Jack Creek to the Madison River, thence down the Madison River to the Norris Bridge (Red Bridge), thence eastward along the Anceney road to the Gallatin River, thence up the Gallatin River to Spanish Creek, the point of beginning, shall be open to the hunting of five (5) mature bull moose by permit holders.

BEAVERHEAD-DEER LODGE COUNTIES: October 15 to November 15, 1951, both dates inclusive.

No. 5a: BIG HOLE AREA. The entire Big Hole drainage above the Ralston-Anaconda road, shall be open to the taking of thirty (30) mature bull moose by permit holders.

No. 5b: GRASSHOPPER CREEK AREA. All that portion of the Grasshopper Creek drainage lying above and including the Dyce Creek and Buffalo Creek drainages shall be open to the hunting of seven (7) mature bull moose by permit holders.

GRANITE COUNTY: October 15 to November 15, 1951, both dates inclusive.

No. 6: ROCK CREEK AREA. Beginning at the intersection of Wyman Gulch with Rock Creek, thence up Wyman Gulch to its headwaters on the Sapphire Divide, thence in a southeasterly direction along the divide between Rock Creek and the Bitterroot River to West Pintlar Peak, thence in a northerly direction down the Middle Fork of Rock Creek to the Main Rock Creek, thence down Rock Creek to the Phillipsburg road intersection near Castle Rock, thence in an easterly direction along said road to the Flint Creek road to Hall, thence in a westerly direction along the Cow Creek road to the Griffith Saw Mill Site, thence in a southwesterly direction along the Divide between Harvey Creek and Willow Creek to Sandstone Ridge, thence along said ridge to Fisher Point, thence down Trail No. 228 to Rock Creek and Wyman Gulch, the point of beginning, shall be open to the hunting of ten (10) mature bull moose by permit holders.

GRANITE-DEER LODGE AND POWELL COUNTIES: October 15 to November 15, 1951, both dates inclusive.

No. 7: FLINT CREEK RANGE AREA: That area known as the Flint Creek Range, which lies between U. S. Highway No. 10 and No. 10 A, shall be open to the hunting of ten (10) mature bull moose by permit holders.

BEAVERHEAD COUNTY: October 15 to November 15, 1951, both dates inclusive.

No. 8: RED ROCK AREA. That portion of Beaverhead County lying south of the Monida-Lakeview-Red Rock Pass road, shall be open to the hunting of five (5) mature bull moose by permit holders.

RAVALLI COUNTY: October 15 to November 15, 1951, both dates inclusive.

No. 9a: EAST SIDE AREA. That portion of Ravalli County lying east of U. S. Highway 93, shall be open to the hunting of five (5) mature bull moose by permit holders.

No. 9b: WEST SIDE AREA. That portion of Ravalli County lying west of U. S. Highway 93, shall be open to the hunting of five (5) mature bull moose by permit holders.

Applications received until July 21, 1951

Send application in letter—give area number of choice, big game license number, address and enclose money order or certified check for $25.00. Twenty-five dollar fee refunded if a permit is not drawn.

Drawing on August 1

These regulations shall not authorize the hunting of game animals in any game preserve or big game closure created for the protection of game animals.
